

## 2022 Membership report

A 'friendly reminder' email is sent to expiring members every month. Most people tend to renew their membership unless they have relocated.

As the Conference draws closer, there is a steady increase in membership. The Conference, being held in Fukuoka this year may be a contributing factor. As this is the first time in two years for a F2F conference, hopes are high for the increase in future membership, especially new members.

The upcoming Conference would be a prime opportunity to encourage local student volunteers to consider future membership.
