

Fukuoka JALT Program Chair Report for 2022 Calendar Year

Due to the ongoing Covid-19 pandemic, we have been forced to continue holding meetings online. We planned to return to face-to-face meeting in mid-2022, but these plans had to be cancelled due to a surge in Covid-19 cases. I am starting on planning for 2023 on the assumption that we will be able to resume face-to-face meetings, with our next meeting scheduled for January.
